CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 47

Introduced by Assembly Member Gatto

December 19, 2012

An act to add Section 8594.15 to the Government Code, relating to emergency services.

LEGISLATIVE COUNSEL'S DIGEST

AB 47, as amended, Gatto. Emergency services: hit-and-run incidents.

Existing law authorizes use of the Emergency Alert System to inform the public of local, state, and national emergencies. Existing law requires a law enforcement agency to activate the Emergency Alert System within the appropriate area if that agency determines that a child 17 years of age or younger, or an individual with a proven mental or physical disability, has been abducted and is in imminent danger of serious bodily injury or death, and there is information available that, if disseminated to the general public, could assist in the safe recovery of that person. Existing law also authorizes the issuance and coordination

of a Blue Alert following an attack upon a law enforcement officer or a Silver Alert relating to a person who is 65 years of age or older who is reported missing.

This bill would authorize a law enforcement agency to issue a Yellow Alert if a person has been killed or has suffered serious bodily injury due to a hit-and-run incident and the law enforcement agency has specified information concerning the suspect or the suspect's vehicle. The bill would require the California Highway Patrol to activate a Yellow Alert within the requested geographic area upon request if it concurs with the law enforcement agency that specified requirements are met.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
